

## SCORPIO TANKERS INC. ANNOUNCES AGREEMENTS TO ACQUIRE FOUR LR2 PRODUCT TANKERS AND NEWBUILDING VESSEL DELIVERIES

---

May 11, 2015

MONACO – (Marketwired) – 05/11/15 – Scorpio Tankers Inc. (NYSE: STNG) (the “Company”) announced today that it has entered into agreements to purchase four LR2 product tankers and has recently taken delivery of three newbuilding vessels.

### LR2 Newbuildings

The Company reached agreements with two unrelated third parties to purchase an aggregate of four LR2 product tankers currently under construction at Sungdong Shipbuilding and Marine Engineering Co., Ltd. and Daehan Shipbuilding Co., Ltd. for approximately \$60.0 million each. These vessels are expected to be delivered between June and August 2015.

### Newbuilding Vessel Deliveries

The Company recently took delivery of the following vessels:

- STI Lauren, an LR2 product tanker, was delivered from Daewoo Shipbuilding and Marine Engineering of South Korea in April 2015. Upon delivery, this vessel began a voyage for 57 days at approximately \$37,000 per day
- STI Connaught, an LR2 product tanker, was delivered from Hyundai Samho Heavy Industries of South Korea in May 2015. Upon delivery, this vessel began a voyage for 60 days at approximately \$34,000 per day.
- STI Osceola, an MR product tanker, was delivered from Hyundai Mipo Dockyard of South Korea in April 2015. Upon delivery, this vessel began a time charter for up to 120 days at approximately \$19,500 per day.

### *About Scorpio Tankers Inc.*

Scorpio Tankers Inc. is a provider of marine transportation of petroleum products worldwide.
