The Tender Offer is subject to the satisfaction of certain conditions, including, among other things, (i) the Company having issued the New Notes in an amount and on terms and conditions acceptable to the Company, in its sole discretion, and the Company having available funds sufficient to pay the Tender Offer Consideration and Accrued Interest with respect to all of the Existing Notes validly tendered that are not validly withdrawn, and (ii) immediately following the completion of the Tender Offer, the Company continuing to meet the NYSE’s continued listing standards applicable to the Existing Notes. The Company has the right to waive, in whole or in part, at any time and from time to time, in its sole discretion, any of the Tender Offer conditions and to accept Existing Notes for purchase in the Tender Offer.

The Tender Offer is being made by means of an Offer to Purchase and related Letter of Transmittal being distributed to all current holders of the Existing Notes outstanding.
